

# Congestion taxes in Stockholm and Göteborg

The congestion taxes are intended to improve traffic flow and improve the environment in the inner city of Stockholm and the routes around Göteborg. The congestion tax in Stockholm and Göteborg is charged on weekdays between 6 a.m. and 6.29 p.m. It is not charged on Saturdays or Sundays, on public holidays, the day before a public holiday or in the month of July.

→ For current charges and more information about the congestion tax in English, see [www.transportstyrelsen.se/congestion-tax](http://www.transportstyrelsen.se/congestion-tax)
