

Stadsgården

Welcome to Ports of Stockholm! Please do not hesitate to contact us if you have any questions or special requirements regarding your quay-berth.

Mooring

Ports of Stockholm provides linesmen services at fixed rates.

Fresh water

Fresh water can be ordered via your agent when pre-registering your visit. The capacity is approximately 100 m³ per hour.

Port dues

Information about charges for mooring, waste management, linesmen, water and more can be obtained from your agent or the Ports of Stockholm website.

Stadsgården

Stadsgården is part of Stockholm's southern port zone, extending along the southern side of the inner Baltic between Slussen locks in the west and Londonviadukten viaduct in the east. Stadsgården offers a full view of Stockholm's boat traffic, and when you want to disembark you are close to Old Town and the high points of Södermalm, Stockholm's southern island.

Viking Line ferries depart from Stadsgården for Turku and Helsinki, while Birka Line ferries serve the Åland islands. Cruise liners and warships also come to Stadsgården.
